PSC Docket No.
12-292

Dear Mr. Lawrence:

As residents of Bay Breeze Estates in Eastern Sussex County, we would like to affirm our support of Chesapeake Utilities expanding natural gas service within our area.

Chesapeake Utilities has informed us of their proposed expansion rates that were filed with the Public Service Commission on June 25, 2012. We are providing this letter and attached list of signatures acknowledging our support of these rates as well as the optional services to assist with managing the conversion process and/or the cost of the conversion.

Sincerely,

Jeffery P. Broderick

Dear Mr. Lawrence:

As a developer in Eastern Sussex County, I would like to affirm my company's support of Chesapeake Utilities expanding natural gas service within our area. We are breaking ground on our newest project, Senators (229 single family homes on Gills Neck Rd), on October 1, 2012 and plan to offer natural gas to all of our residents.

We understand that there will be additional costs associated with providing utility services to the expansion areas but believe the benefits of the natural gas service outweigh the costs. We support the proposal for Chesapeake Utilities to incorporate the additional costs into our delivery rates in addition to providing us with the option to utilize Chesapeake Utilities for the coordination of our natural gas line installation.

Regards,
